Sexualized violence and the church

Mennonite Central Committee is offering three free webinars this spring for churches who want to learn more about how to address sexualized violence within their congregation and how to encourage healthy sexuality and healthy masculinity among members. The webinars will be led by church leaders and others with expertise in the topics. All three webinars will start at 2 pm and end at 3 pm CST. The first webinar, *Healthy sexuality in our congregations* will be on April 11. Kathrine Goerzen and Benjamin Reynolds will lead the discussion focusing on what role the church can play in fostering and supporting healthy views of sexuality. May 9's webinar will focus on *Sexualized violence – how should churches respond?* And then on June 13, *Healthy masculinity*. **Learn more and register for the webinars at mcc.org/wwso.** Contact karinkaufmanwall@mcc.org with questions.
