Sexualized violence and the church

Mennonite Central Committee is offering a series of free webinars this spring for churches and individuals who want to learn more about how to address sexualized violence within the congregation and how to encourage healthy sexuality and healthy masculinity among members. Each webinar will be led by church leaders and others with expertise in the topics. All three webinars are free and begin at 2 pm and end at 3 pm CST. Please join us on Wednesday, May 9 for Sexualized violence- How should churches respond? Speakers Cyneatha Millsaps and Silvia Rios will lead the discussion about what we mean when we talk about sexualized violence and what we can do when our congregations experience sexualized violence. The final webinar will be on June 13, Healthy masculinity. **Learn more and register for the webinars at mcc.org/wwso.** Contact karinkaufmanwall@mcc.org with questions.
