How Then Shall We Live? A week-long immersion in the wild to bring out the deep wisdom, fierce joy and sacred strength of men. Come wade into the wilds of New Mexico! Highlights include homemade meals in an adobe hacienda, visiting Taos Pueblo, plunging into the waters and canyons of the Rio Grande Gorge, wilderness solos, songs and campfires, morning meditations and biblical analysis in wild places—all designed to open radically new possibilities for men seeking a wilder way of fierce love for God, humanity and our precious earth. Guided by Todd Wynward for adventurous men 18+ in Taos, New Mexico, September 8-15, 2018. For registration information on this Mennonite Men experience, visit www.mennonitemen.org.

There is no doubt that the church has a critical role in addressing issues around race within our communities.

Kansas Leadership Center is hosting four events in the next two weeks for faith leaders in the region. Join pastors, priests, staff, elders, deacons, members and various faith leaders as we discuss issues of faith and race.

The purpose of these conversations is to use KLC leadership concepts to gain perspectives around race. We also hope these conversations lead churches to discover and refine their role in addressing issues of race. The sessions will take place at the Kansas Leadership Center ([325 E. Douglas – Wichita, KS 67202](#)) on the following dates: Tues. May 15 8:30-10:30 a.m. & 5:30- 7:30 p.m.

MCC is looking for new canner operators! This two year service term is unique and offers the opportunity to travel around the U.S. and Canada, working as a team while meeting new people! Check out mcc.org/canning for details, or contact heidihuber@mcc.org.
